

## Research Info

Research and extension are the backbone of any academic institution of Higher Education and more so to the A.B.M. Degree College, Narsipatnam, New Delhi. The College faculty and Post Graduate students have got selections for Summer Research Fellowships under Teacher and Student category from IASc, Bangalore.

The Faculty published fulltime Research Scholars and Post Graduate students have published 15 research publications in reputed International journals and Conferences as a part of their research projects. During last 5 years, the faculty members have published nearly 20 research articles in various Scopus indexed International Journals.

At present there are 04 Ph.Ds among the teaching staff in the college. The college encourages faculty to provide academic consultancy services. The college has potential for Extension Services both in academics and community service. “Lab to School” is one such programme.
